

HOST A STUDENT

The Rondout Education Committee and Leadership Institute are **LOOKING FOR A FEW LOCAL BUSINESSES WILLING TO HELP EDUCATE OUR KIDS!**

We want to provide the students participating in the program with a real work experience by giving them the opportunity to **visit local businesses** and **get a feel for different types of career paths**.

We need businesses that might be willing to host a student in one of two capacities:

— **HOSTING**

i.e. watching you or an employee at work.

— **INTERNING**

i.e. letting a student work with you on a work related project.

WHAT TO DO IF YOU'RE INTERESTED?

1. Download a "Sign Up" Form from the Rondout Valley Business Association's website

2. Mail it in to:

RVBA attn: Education Committee, P.O. Box 450, Accord NY 12404

**Please note that this is not a commitment today, just an interest in possibly participating in the future.*
